**What teaching methods will be used and will there be work outside of the class?**

- The WEA tutor will use a range of different teaching and learning methods and encourage you and the group to be actively involved in your learning
- You may be asked to undertake additional work in your own time to support your learning
- There will be short relaxed/informal, non-compulsory homework for each session - this frequently helps students to apply the learning from one session and prepare thoughts for the next.

**What kind of feedback can I expect from the tutor?**

- A range of informal activities will be used by the tutor to see what you are learning which may include quizzes, question and answer, small projects and discussion
- You will have opportunities to discuss your progress with your tutor
- You will be encouraged to consider other students work and give your opinions and suggestions
- Students are encouraged to share work but only when ready/if they wish to. Sessions feature a friendly and supportive mix of tutor-led learning, individual and group tasks/discussions/reflection.

**What else do I need to know? Is there anything I need to bring?**
