

4. Sing a part in a round with others
5. Sing a part in a harmony/polyphonic song with others

What teaching methods will be used and will there be work outside of the class?

- The WEA tutor will use a range of different teaching and learning methods and encourage you and the group to be actively involved in your learning
- Most teaching will be done verbally and vocally, using repetition of parts. The tutor will also use recordings of the group to help them hear how they are developing.

What kind of feedback can I expect from the tutor?

- You will have opportunities to discuss your progress with your tutor
- You will be encouraged to share your work with the group and discuss your learning
- The main feedback tool for the group will be recordings of us singing together. Individual feedback will also be used.

What else do I need to know? Is there anything I need to bring?

- It would be helpful if you had access to the internet (Mobile phone, tablet or computer at home or through a library etc.)
- Wear loose comfortable clothes and flat shoes. Please don't wear perfumes as this can aggravate individual allergies . Please don't come to the group if you have a cold. There is a class website where you can track our progress and hear recordings, so its useful if you have internet access.

Pre-course work, reading and information sources

- No pre reading or pre course work is required
- You might like to take a look at my own website

Learning with the WEA

WEA courses increasingly make use of the rich variety of educational tools and material available on the internet and from digital devices. The WEA's digital learning platform, Canvas will play an increasing role in all WEA courses to provide resources or support, or to conduct lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. It is helpful, although not essential if you have access to a computer or smartphone to support your course.

You can read about your entitlements and responsibilities as a WEA student in our leaflet, Student Handbook here <http://www.wea.org.uk/learn-wea/student-support> This includes information on fees,

learning support and financial support. As part of your course you accept our Learning Agreement and Privacy Notice. Full details of the Learning Agreement and privacy notice can be found on our website at <http://www.wea.org.uk/policies>. This applies to all courses you take in this academic year.

You can enrol online for some courses <http://www.wea.org.uk/learn-wea/course-search> or contact: WEA Support Services, Suite 10B Joseph's Well, Hanover Way, Leeds, West Yorkshire, LS3 1AB
