

3. Recognise that recycled materials can be transformed into exciting new shapes and forms.
4. Recognise that creative experimental work has the potential for enterprise and product development.
5. Create art/craft work by either following step-by-step instructions during guided sessions or by working in a more free and independent way.

What teaching methods will be used and will there be work outside of the class?

- The WEA tutor will use a range of different teaching and learning methods and encourage you and the group to be actively involved in your learning

What kind of feedback can I expect from the tutor?

- You will have opportunities to discuss your progress with your tutor
- You will be encouraged to share your work with the group and discuss your learning
- You will be encouraged to consider other students work and give your opinions and suggestions
- There will be a number of tasks appropriate to your course such as written work, creating art or craft, video, photography or small projects. Some of these may be marked to help you progress

What else do I need to know? Is there anything I need to bring?

- Nothing else is needed
- All materials will be provided

Pre-course work, reading and information sources

- No pre reading or pre course work is required

Possible next steps after this course (including career opportunities if appropriate)

- Progress to another WEA course
- Progress to a course with another provider
- This course could lead to a range of job opportunities. Follow link to National Careers Service for more details <https://nationalcareersservice.direct.gov.uk/>
- Become involved with the WEA in a range of voluntary work and other activities including campaigning as a WEA member

- You could progress to Higher Education courses. Follow link to the PEARL website for information <http://pearl.open.ac.uk/>
- Access the WEA What Next? booklet here <http://www.wea.org.uk/learn-wea/what-can-i-do-next>

Learning with the WEA

WEA courses increasingly make use of the rich variety of educational tools and material available on the internet and from digital devices. The WEA's digital learning platform, Canvas will play an increasing role in all WEA courses to provide resources or support, or to conduct lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. It is helpful, although not essential if you have access to a computer or smartphone to support your course.

You can read about your entitlements and responsibilities as a WEA student in our leaflet, Student Handbook here <http://www.wea.org.uk/learn-wea/student-support> This includes information on fees, learning support and financial support. As part of your course you accept our Learning Agreement

and Privacy Notice. Full details of the Learning Agreement and privacy notice can be found on our website at <http://www.wea.org.uk/policies>. This applies to all courses you take in this academic year.

You can enrol online for some courses <http://www.wea.org.uk/learn-wea/course-search> or contact: WEA Support Services, Suite 10B Joseph's Well, Hanover Way, Leeds, West Yorkshire, LS3 1AB
Tel: 0300 303 3464 Email: courseenquiries@wea.org.uk
