Community Engagement 2.</p>		

Course Aim
This course will introduce some of the maths from British primary school level.

Course Description
Do you need to know more about primary school maths? If so, this could be the course for you. There are many reasons to join a course like this. Are your children needing help with their maths homework? Do you need to improve your own maths ability? Do you want to get your maths confidence back again? Has it been a while since you studied maths and you want to get back into the classroom again?

Come and join our maths class. We will study maths in a comfortable, relaxed environment together. Don't worry, we are here to help you improve your maths, starting from where you are now.

Do I need any particular skills or experience?

What will I achieve?
By the end of the course I will be able to:

1. improve basic addition and subtraction.
2. improve my understanding of multiplication.
3. improve my understanding of division.

4. Get a better understanding of decimals.
5. Get a better understanding of fractions.

What teaching methods will be used and will there be work outside of the class?

- The WEA's digital learning platform, Canvas will be used to provide resources or to support lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. If you want to understand more about our digital learning platform please visit: <http://bit.ly/WEAonline>
- The WEA tutor will use a range of different teaching and learning methods and encourage you and the group to be actively involved in your learning
- You may be asked to undertake additional work in your own time to support your learning

What kind of feedback can I expect from the tutor?

- You will have opportunities to discuss your progress with your tutor
- You will be encouraged to share your work with the group and discuss your learning
- feedback about your performance in class.

What else do I need to know? Is there anything I need to bring?

- What you need: You will need an internet connection, speakers, a microphone and a webcam so that you can use our video learning platform, Zoom. If you'd like to understand more Zoom please visit: <http://bit.ly/ZoomSpec>
- You will need a personal email address to join the WEA's digital learning platform, Canvas so that you can receive resources, record your progress and achievement and to work with others and share ideas. If you want to understand more about our digital learning platform please visit: <http://bit.ly/WEAonline>

Pre-course work, reading and information sources

- No pre reading is required but research on the subject on the internet or in the library may be helpful

Possible next steps after this course (including career opportunities if appropriate)

- Progress to another WEA course
- Progress to a course with another provider
- Become involved as a volunteer for a WEA partner or another organisation

Learning with the WEA

WEA courses increasingly make use of the rich variety of educational tools and material available on the internet and from digital devices. The WEA's digital learning platform, Canvas will play an increasing role in all WEA courses to provide resources or support, or to conduct lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. It is helpful, although not essential if you have access to a computer or smartphone to support your course.

You can read about your entitlements and responsibilities as a WEA student in our leaflet, Student Handbook here <http://www.wea.org.uk/learn-wea/student-support> This includes information on fees, learning support and financial support. As part of your course you accept our Learning Agreement

and Privacy Notice. Full details of the Learning Agreement and privacy notice can be found on our website at <http://www.wea.org.uk/policies>. This applies to all courses you take in this academic year.

You can enrol online for most courses <http://www.wea.org.uk/learn-wea/course-search> or contact: WEA Support Services, Suite 10B Joseph's Well, Hanover Way, Leeds, West Yorkshire, LS3 1AB
Tel: 0300 303 3464 Email: courseenquiries@wea.org.uk
