

you'd like to understand more about our video learning platform, Zoom please visit:

<http://bit.ly/WEAonline> and <http://bit.ly/ZoomSpec>

- This course is for a group of around 15 students studying in a live video-learning platform conference and an online digital learning environment platform from the comfort of your own home.
- This is a live lecture delivered by a subject specialist in an online webinar video learning platform. You will need to be able to access the internet on a device with speakers or earphones. There will be opportunities to take part in discussions and chats. If you'd like to know how to use Zoom please visit: <http://bit.ly/ZoomSpec>
- No skills or experience needed
- This course is for beginners

What will I achieve?

By the end of the course I will be able to:

1. Understand the natural processes behind the greenhouse effect.
2. Understand the impact human activity is having on the world's climate.
3. Begin to understand the impacts of climate change in different parts of the world.
4. Look into what can be done about the global issue - can individuals really have an impact?

What teaching methods will be used and will there be work outside of the class?

- The WEA's digital learning platform, Canvas will be used to provide resources or to support lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. If you want to understand more about our digital learning platform please visit: <http://bit.ly/WEAonline>

What kind of feedback can I expect from the tutor?

- You will have opportunities to discuss your progress with your tutor

What else do I need to know? Is there anything I need to bring?

- What you need: You will need an internet connection, speakers, a microphone and a webcam so that you can use our video learning platform, Zoom. If you'd like to understand more Zoom please visit: <http://bit.ly/ZoomSpec>
- You will need a personal email address to join the WEA's digital learning platform, Canvas so that you can receive resources, record your progress and achievement and to work with others and share ideas. If you want to understand more about our digital learning platform please visit: <http://bit.ly/WEAonline>

Pre-course work, reading and information sources

- No pre reading or pre course work is required

Possible next steps after this course (including career opportunities if appropriate)

- Progress to another WEA course
- Progress to a course with another provider

Learning with the WEA

WEA courses increasingly make use of the rich variety of educational tools and material available on the internet and from digital devices. The WEA's digital learning platform, Canvas will play an increasing role in all WEA courses to provide resources or support, or to conduct lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. It is helpful, although not essential if you have access to a computer or smartphone to support your course.

You can read about your entitlements and responsibilities as a WEA student in our leaflet, Student Handbook here <http://www.wea.org.uk/learn-wea/student-support> This includes information on fees, learning support and financial support. As part of your course you accept our Learning Agreement and Privacy Notice. Full details of the Learning Agreement and privacy notice can be found on our website at <http://www.wea.org.uk/policies>. This applies to all courses you take in this academic year.

You can enrol online for most courses <http://www.wea.org.uk/learn-wea/course-search> or contact: WEA Support Services, Suite 10B Joseph's Well, Hanover Way, Leeds, West Yorkshire, LS3 1AB
