Course Aim
to provide an introduction to a range of creative craft activities

Course Description
Working in a relaxed and supportive atmosphere, the course will explore various media, methods and techniques to develop your craft skills.

You will create experimental and developmental pieces using a range of creative and craft skills and techniques. The course will include some elements of upcycling and reusing.

Do I need any particular skills or experience?
- No skills or experience needed

What will I achieve?
By the end of the course I will be able to:

1. use a range of basic craft skills and techniques.
2. produce ideas and designs to work from.
3. include some elements of re-use and upcycling in your projects.
4. develop hand crafting skills
5. produce creative and imaginative pieces of work

What teaching methods will be used and will there be work outside of the class?

- The WEA tutor will use a range of different teaching and learning methods and encourage you and the group to be actively involved in your learning
- You may be asked to undertake additional work in your own time to support your learning

What kind of feedback can I expect from the tutor?

- A range of informal activities will be used by the tutor to see what you are learning which may include quizzes, question and answer, small projects and discussion
- You will have opportunities to discuss your progress with your tutor
- You will be encouraged to share your work with the group and discuss your learning
- A file of work will be kept which will help to record your progress

What else do I need to know? Is there anything I need to bring?

- A selection of materials and basic equipment will be provided but you are welcome to bring additional materials with you
