

What teaching methods will be used and will there be work outside of the class?

- The WEA tutor will use a range of different teaching and learning methods and encourage you and the group to be actively involved in your learning
- Group work and Pair work will form a large part of the course for asking and answering questions.

What kind of feedback can I expect from the tutor?

- A range of informal activities will be used by the tutor to see what you are learning which may include quizzes, question and answer, small projects and discussion
- You will be encouraged to share your work with the group and discuss your learning
- You will be encouraged to consider other students work and give your opinions and suggestions
- There will be a number of tasks appropriate to your course such as written work, creating art or craft, video, photography or small projects. Some of these may be marked to help you progress

What else do I need to know? Is there anything I need to bring?

- It would be good to bring a pen and notebook with you as well as some form of ID to help with the forms.

Pre-course work, reading and information sources

- No pre reading or pre course work is required

Possible next steps after this course including career opportunities if appropriate

- Progress to another WEA course
- Progress to a course with another provider

You can read about your entitlements and responsibilities as a WEA student in our leaflet, Student Handbook here <http://www.wea.org.uk/learn-wea/student-support> This includes information on fees, learning support and financial support. As part of your course you accept a Learning Agreement. Full details of the Learning Agreement can be found on our website at <http://www.wea.org.uk/about-us/policies>. This applies to all courses you take in this academic year.
