<p>Course Aim</p> <p>To recognise the skills and qualities needed to work as a teaching assistant</p>
<p>Course Description</p> <p>Students will begin to explore how skills, knowledge and experience can impact on teaching and learning in the school environment. Students will consider professional conduct and the requirements held by schools to become a teaching assistant or volunteer.</p>
<p>Do I need any particular skills or experience?</p> <p>- No skills or experience needed</p>
<p>What will I achieve?</p> <p>By the end of the course I will be able to:</p> <ol style="list-style-type: none"> 1. Describe the skills and qualities required to effectively support teaching and learning 2. Identify school’s requirements and procedures for becoming a teaching assistant or volunteer 3. Identify next steps on the schools and parenting Pathway
<p>What teaching methods will be used and will there be work outside of the class?</p> <p>- The WEA tutor will use a range of different teaching and learning methods and encourage you and the group to be actively involved in your learning</p> <p>- Activities may include tutor presentation, small group work, working in pairs, class discussions, short tasks and research</p>

What kind of feedback can I expect from the tutor?

- A range of informal activities will be used by the tutor to see what you are learning which may include quizzes, question and answer, small projects and discussion
- You will have opportunities to discuss your progress with your tutor
- You will be encouraged to share your work with the group and discuss your learning

What else do I need to know? Is there anything I need to bring?

- Nothing else is needed
- A selection of materials and basic equipment will be provided but you are welcome to bring additional materials with you
- Tutors will suggest sources of additional information where relevant
