

What teaching methods will be used and will there be work outside of the class?

- The WEA tutor will use a range of different teaching and learning methods and encourage you and the group to be actively involved in your learning
- You may be asked to undertake additional work in your own time to support your learning
- You will be expected to carry out a range of activities in your own time
- It is important that you are open to other people in the class. Also be open to suggestions from the tutor. Just looking at your own work you will focus on its shortcomings and get frustrated. I find that through discussion of others and sharing difficulties you will get more from the class.

What kind of feedback can I expect from the tutor?

- You will have opportunities to discuss your progress with your tutor
- You will be encouraged to share your work with the group and discuss your learning
- You will be encouraged to consider other students work and give your opinions and suggestions
- A file of work will be kept which will help to record your progress

What else do I need to know? Is there anything I need to bring?

- It would be helpful if you had access to the internet (Mobile phone, tablet or computer at home or through a library etc.)

- You need to bring watercolour, s eg. Cotman, Aquafine, Rembrandt.. there are many makes. Try shopping on line- Ken Bromley.

Brushes: size 6 and 8 Round

Mixing plate and water pot. 2B pencil and rubber. Watercolour paper- A3 size medium surface.

Pre-course work, reading and information sources

- No pre reading is required but research on the subject on the internet or in the library may be helpful

Possible next steps after this course (including career opportunities if appropriate)

- Progress to another WEA course
- Become involved as a volunteer for a WEA partner or another organisation
- You could join an online forum, an Art Society and exhibit. print your own greetings cards.

Learning with the WEA

WEA courses increasingly make use of the rich variety of educational tools and material available on the internet and from digital devices. The WEA's digital learning platform, Canvas will play an increasing role in all WEA courses to provide resources or support, or to conduct lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. It is helpful, although not essential if you have access to a computer or smartphone to support your course.

You can read about your entitlements and responsibilities as a WEA student in our leaflet, Student Handbook here <http://www.wea.org.uk/learn-wea/student-support> This includes information on fees, learning support and financial support. As part of your course you accept our Learning Agreement and Privacy Notice. Full details of the Learning Agreement and privacy notice can be found on our website at <http://www.wea.org.uk/policies>. This applies to all courses you take in this academic

year.
