

What will I achieve?

By the end of the course I will be able to:

1. Explain the reasons why the different settler groups travelled through or to the Far West.
2. Identify the ways in which the terrain of the Far West was difficult for the settlers to cross.
3. Describe the ways in which the Mormons were able to facilitate more settlers crossing the Plains to settle at Salt Lake City.
4. Identify the problems the Homesteaders faced in settling on the Great Plains and the extent to which they solved them.
5. Describe aspects of daily life in the Far West settlements such as food, setting up a home and employment.

What teaching methods will be used and will there be work outside of the class?

What kind of feedback can I expect from the tutor?

Learning with the WEA

WEA courses increasingly make use of the rich variety of educational tools and material available on the internet and from digital devices. The WEA's digital learning platform, Canvas will play an increasing role in all WEA courses to provide resources or support, or to conduct lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. It is helpful, although not essential if you have access to a computer or smartphone to support your course.

You can read about your entitlements and responsibilities as a WEA student in our leaflet, Student Handbook here <http://www.wea.org.uk/learn-wea/student-support> This includes information on fees, learning support and financial support. As part of your course you accept our Learning Agreement
