Course Aim

To celebrate the season of autumn using a range of simple arts and crafts that families can work on together to decorate their home.

Course Description

We will use the wonderful colours of autumn as a starting point from which to learn some simple crafts that all the family can enjoy.

Do I need any particular skills or experience?

What will I achieve?

By the end of the course I will be able to:

1. Identify the colours of autumn and how they are different from the other seasons
2. Make at least one item using autumnal colours in a craft that is new to you
3. Explain how you would go about continuing your learning at home

Learning with the WEA

WEA courses increasingly make use of the rich variety of educational tools and material available on the internet and from digital devices. The WEA's digital learning platform, Canvas will play an increasing role in all WEA courses to provide resources or support, or to conduct lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. It is helpful, although not essential if you have access to a computer or smartphone to support your course.

You can read about your entitlements and responsibilities as a WEA student in our leaflet, Student Handbook here <http://www.wea.org.uk/learn-wea/student-support> This includes information on fees, learning support and financial support. As part of your course you accept our Learning Agreement and Privacy Notice. Full details of the Learning Agreement and privacy notice can be found on our website at <http://www.wea.org.uk/policies>. This applies to all courses you take in this academic year.
