Course Aim

This course will help you to feel more confident speaking and listening everyday English, with lots of practice using real life situations. This course leads to a City & Guilds Entry 1 Speaking and Listening qualification.

Course Description

We will use everyday situations like travel and transport, house and home, health and going shopping to learn new words, practice asking questions, listening for information, and develop good pronunciation so you can communicate better. This could help you to go to appointments by yourself, talk to your neighbours, join in with local groups or activities, or just feel more independent in your everyday life.

Do I need any particular skills or experience?

What will I achieve?

By the end of the course I will be able to:

1. Feel more confident using my English in everyday life
2. Communicate in everyday situations

3. Ask for and give information
4. Listen for information in a range of situations, e.g. timetables, prices
5. Improve my pronunciation

- You will have opportunities to discuss your progress with your tutor
