Course Description
Students will:
Practice using navigation functions to move around their device and around websites
Complete web searches for a purpose • Upload and download information to web (for instance, taking part in online forums, entering text in forms, submitting assignments, downloading documents)
Keeping themselves and their devices safe from harm; ensuring they understand the risks and know how to report concerns for e-safety.

Do I need any particular skills or experience?

What will I achieve?
By the end of the course I will be able to:
 1. Use navigation functions to move around their device and around websites
 2. Complete web searches for a purpose
 3. Upload and download information to web (for instance, taking part in online forums, entering text

in forms, submitting assignments, downloading documents)

4. Describe how to keep yourself and your devices safe from harm

5. Explain how to report concerns for e-safety.

What teaching methods will be used and will there be work outside of the class?

- The WEA tutor will use a range of different teaching and learning methods and encourage you and the group to be actively involved in your learning

What kind of feedback can I expect from the tutor?

- You will be able to keep a record of your progress and achievement using photos, audio, text or documents uploaded into the WEA's digital learning platform, WEA Canvas.

- You will have opportunities to discuss your progress with your tutor

- You will be encouraged to share your work with the group and discuss your learning

What else do I need to know? Is there anything I need to bring?

- You will also need access to the internet outside of your sessions. You could do this using a smart phone, tablet, laptop or a desktop computer (at home or through a library etc.).

- You will need a personal email address to join the WEA's digital learning platform, Canvas so that you can receive resources, record your progress and achievement and to work with others and share ideas. If you want to understand more about our digital learning platform please visit:

Learning with the WEA

WEA courses increasingly make use of the rich variety of educational tools and material available on the internet and from digital devices. The WEA's digital learning platform, Canvas will play an increasing role in all WEA courses to provide resources or support, or to conduct lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. It is helpful, although not essential if you have access to a computer or smartphone to support your course.

You can read about your entitlements and responsibilities as a WEA student in our leaflet, Student Handbook here <http://www.wea.org.uk/learn-wea/student-support> This includes information on fees,

learning support and financial support. As part of your course you accept our Learning Agreement and Privacy Notice. Full details of the Learning Agreement and privacy notice can be found on our website at <http://www.wea.org.uk/policies>. This applies to all courses you take in this academic year.

You can enrol online for some courses <http://www.wea.org.uk/learn-wea/course-search> or contact: WEA Support Services, Suite 10B Joseph's Well, Hanover Way, Leeds, West Yorkshire, LS3 1AB
