

What teaching methods will be used and will there be work outside of the class?

- The day will consist of well-illustrated presentations with lots of chance for interaction

What kind of feedback can I expect from the tutor?

- Informal, no tests or exams

What else do I need to know? Is there anything I need to bring?

- Pen and Paper may be useful

Pre-course work, reading and information sources

- No pre reading or pre course work is required
- No pre reading is required but research on the subject on the internet or in the library may be helpful

Possible next steps after this course (including career opportunities if appropriate)

- Progress to another WEA course
- Progress to a course with another provider
- Lectures with the Southampton Ancient Egypt Society

Learning with the WEA

WEA courses increasingly make use of the rich variety of educational tools and material available on the internet and from digital devices. The WEA's digital learning platform, Canvas will play an increasing role in all WEA courses to provide resources or support, or to conduct lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. It is helpful, although not essential if you have access to a computer or smartphone to support your course.

You can read about your entitlements and responsibilities as a WEA student in our leaflet, Student Handbook here <http://www.wea.org.uk/learn-wea/student-support> This includes information on fees, learning support and financial support. As part of your course you accept our Learning Agreement and Privacy Notice. Full details of the Learning Agreement and privacy notice can be found on our website at <http://www.wea.org.uk/policies>. This applies to all courses you take in this academic year.

You can enrol online for some courses <http://www.wea.org.uk/learn-wea/course-search> or contact: WEA Support Services, Suite 10B Joseph's Well, Hanover Way, Leeds, West Yorkshire, LS3 1AB Tel: 0300 303 3464 Email: courseenquiries@wea.org.uk
