Course Aim

This course will help you to feel more confident writing everyday English. This course leads to a City & Guilds Entry 1 Writing qualification.

Course Description

We will use everyday situations like travel and transport, house and home, health and going shopping to practice writing. You will learn some spelling and grammar rules, practice filling in forms and writing simple sentences and short texts about a range of everyday situations. This will help you to write your personal information that is often needed in application forms, and write simple letters (e.g. to a child's school, or landlord). This could help you to find a job, join in with local groups or activities, or just feel more independent in your everyday life.

Do I need any particular skills or experience?

What will I achieve?

By the end of the course I will be able to:

1. Feel more confident using my English in everyday life
2. Write the English alphabet in capitals and lower case letters, and numbers
3. Spell common words, about myself and everyday situations

4. Write simple sentences about things that are happening now, using the correct word order
5. Use punctuation (capital letters, full stops and question marks) to help you write simple sentences.

What teaching methods will be used and will there be work outside of the class?

- The WEA tutor will use a range of different teaching and learning methods and encourage you and the group to be actively involved in your learning
- You may be asked to undertake additional work in your own time to support your learning

What kind of feedback can I expect from the tutor?

- A range of informal activities will be used by the tutor to see what you are learning which may include quizzes, question and answer, small projects and discussion
- You will have opportunities to discuss your progress with your tutor
- You will be encouraged to share your work with the group and discuss your learning
- You will be encouraged to consider other students work and give your opinions and suggestions
- There will be a number of tasks appropriate to your course such as written work, creating art or craft, video, photography or small projects. Some of these may be marked to help you progress
- The tutor will also explain what the exam will be like, and they will give you lots of practice so you know what to expect.

What else do I need to know? Is there anything I need to bring?
