Course Aim
A follow on course, developing learners skill in the rehearsal process and performance in a music theatre setting.

This course will continue to develop skills and knowledge gained in the previous course, giving learners a greater sense of independence and self management skill though promoting and installing good habits in practising and rehearsing music effectively. This course will involve learners communicating effectively with their peers and provide opportunities that will aid their confidence and social skills.

Do I need any particular skills or experience?

What will I achieve?
By the end of the course I will be able to:

1. Develop own performance skills through own reflection and peer feedback.
2. Achieve a music goal through aid of a practise schedule
3. Use a device or App to aid the rehearsal/practice process (metronome, backing track, tutorial video)
4. Take part in a either a recording or live musical performance

What teaching methods will be used and will there be work outside of the class?

- The WEA tutor will use a range of different teaching and learning methods and encourage you and the group to be actively involved in your learning
- You may be asked to undertake additional work in your own time to support your learning
- You will be expected to carry out a range of activities in your own time

What kind of feedback can I expect from the tutor?

- You will have opportunities to discuss your progress with your tutor
- You will be encouraged to share your work with the group and discuss your learning
- You will be encouraged to consider other students work and give your opinions and suggestions
- A file of work will be kept which will help to record your progress
- There will be a number of tasks appropriate to your course such as written work, creating art or craft, video, photography or small projects. Some of these may be marked to help you progress

Learning with the WEA

WEA courses increasingly make use of the rich variety of educational tools and material available on the internet and from digital devices. The WEA's digital learning platform, Canvas will play an increasing role in all WEA courses to provide resources or support, or to conduct lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. It is helpful, although not essential if you have access to a computer or smartphone to support your course.

You can read about your entitlements and responsibilities as a WEA student in our leaflet, Student Handbook here <http://www.wea.org.uk/learn-wea/student-support> This includes information on fees, learning support and financial support.
