<p>Theme(s): The WEA has four themes it uses for planning its provision. Employability – helping students to get a job or to make progress in their employment Health and Wellbeing – making a positive contribution to their own or others health and wellbeing Community Engagement – encouraging students to be positively involved in their communities Culture – learning about diverse cultures, identities and environments</p> <p>The Theme(s) used in planning your course is/ are:</p> <p>1. Health and Wellbeing 2. Community Engagement</p>		

<p>Course Aim</p> <p>This course will give you the knowledge and skills needed to create a more environmentally friendly future for you, those who live with you and maybe even your local community.</p>
<p>Course Description</p> <p>This course will study the origin of environmental problems, raise awareness of green issues worldwide and on a local level investigate:</p> <ul style="list-style-type: none"> • how they affect the average person in Britain • the impacts on the natural world and how that affects the human race • what can we as individuals realistically do to improve the situation • what environmental groups/organisations exist and what are they doing <p>This course will seek to help you apply what you learn to your life. We will engage with the following issues; climate change what is it and how did it happen. Habitat loss and the reasons for it. Human rights and poverty are green issues. Who’s doing what from Greenpeace and Friends of the Earth through to Extinction Rebellion, Permaculture and the Transition Movement. What can we do? How to stop feeling like it’s pointless to try and change your world. The connection with nature and its benefit to families, individuals and communities including physical and mental health.</p>

Do I need any particular skills or experience?

What will I achieve?

By the end of the course I will be able to:

1. State some of the reasons why environmental problems have developed over time. Identifying major turning points in history.
2. Apply the knowledge I've have gained to my own situation and create a greener life for myself, those who live with me and my community.
3. Describe some of the characteristics of green groups and environmental organisations and decide if their aims match my own.
4. Make a difference if I choose to.

What teaching methods will be used and will there be work outside of the class?

- The WEA's digital learning platform, Canvas will be used to provide resources or to support lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. If you want to understand more about our digital learning platform please visit: <http://bit.ly/WEAonline>
- The WEA tutor will use a range of different teaching and learning methods and encourage you and the group to be actively involved in your learning

What kind of feedback can I expect from the tutor?

- You will be able to keep a record of your progress and achievement using photos, audio, text or documents uploaded into the WEA's digital learning platform, WEA Canvas.
- Your tutor will provide written, text and audio feedback recorded in WEA Canvas, WEA's digital learning platform.
- A range of informal activities will be used by the tutor to see what you are learning which may include quizzes, question and answer, small projects and discussion
- You will have opportunities to discuss your progress with your tutor
- You will be encouraged to share your work with the group and discuss your learning
- There will be a number of tasks appropriate to your course such as written work, creating art or craft, video, photography or small projects. Some of these may be marked to help you progress

What else do I need to know? Is there anything I need to bring?

- What you need: You will need an internet connection, speakers, a microphone and a webcam so that you can use our video learning platform, Zoom. If you'd like to understand more Zoom please visit: <http://bit.ly/ZoomSpec>
- You will also need access to the internet outside of your sessions. You could do this using a smart phone, tablet, laptop or a desktop computer (at home or through a library etc.).

Learning with the WEA

WEA courses increasingly make use of the rich variety of educational tools and material available on the internet and from digital devices. The WEA's digital learning platform, Canvas will play an increasing role in all WEA courses to provide resources or support, or to conduct lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. It is helpful, although not essential if you have access to a computer or smartphone to support your course.

You can read about your entitlements and responsibilities as a WEA student in our leaflet, Student Handbook here <http://www.wea.org.uk/learn-wea/student-support> This includes information on fees, learning support and financial support. As part of your course you accept our Learning Agreement and Privacy Notice. Full details of the Learning Agreement and privacy notice can be found on our website at <http://www.wea.org.uk/policies>. This applies to all courses you take in this academic year.
