

2. Identify and make use of number skills
3. Identify and make use of digital skills
4. Identify learning opportunities and available next steps
5. Know how courses will be delivered and what will be expected

What teaching methods will be used and will there be work outside of the class?

- Most of your learning will take place in your class, but one or two sessions will be online using WEA's digital learning platform, Canvas, working by yourself or engaging with other students. If you want to understand more about our digital learning platform please visit: <http://bit.ly/WEAonline>
- The WEA tutor will use a range of different teaching and learning methods and encourage you and the group to be actively involved in your learning

What kind of feedback can I expect from the tutor?

- You will be able to keep a record of your progress and achievement using photos, audio, text or documents uploaded into the WEA's digital learning platform, WEA Canvas.
- You will be encouraged to share your work with the group and discuss your learning
- You will be encouraged to consider other students work and give your opinions and suggestions
- A file of work will be kept which will help to record your progress

What else do I need to know? Is there anything I need to bring?

- A selection of materials and basic equipment will be provided but you are welcome to bring additional materials with you
- It would be helpful if you had access to the internet (Mobile phone, tablet or computer at home or through a library etc.)

Pre-course work, reading and information sources

- No pre reading or pre course work is required

Possible next steps after this course (including career opportunities if appropriate)

- Progress to another WEA course
- Progress to a course with another provider
- This course could lead to a range of job opportunities. Follow link to National Careers Service for more details <https://nationalcareersservice.direct.gov.uk/>
- Become involved with the WEA in a range of voluntary work and other activities including campaigning as a WEA member
- Become involved as a volunteer for a WEA partner or another organisation
- You could progress to Higher Education courses. Follow link to the PEARL website for information <http://pearl.open.ac.uk/>

Learning with the WEA

WEA courses increasingly make use of the rich variety of educational tools and material available on the internet and from digital devices. The WEA's digital learning platform, Canvas will play an increasing role in all WEA courses to provide resources or support, or to conduct lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. It is helpful, although not essential if you have access to a computer or smartphone to support your course.

You can read about your entitlements and responsibilities as a WEA student in our leaflet, Student Handbook here <http://www.wea.org.uk/learn-wea/student-support> This includes information on fees, learning support and financial support. As part of your course you accept our Learning Agreement and Privacy Notice. Full details of the Learning Agreement and privacy notice can be found on our website at <http://www.wea.org.uk/policies>. This applies to all courses you take in this academic year.

You can enrol online for most courses <http://www.wea.org.uk/learn-wea/course-search> or contact: WEA Support Services, Suite 10B Joseph's Well, Hanover Way, Leeds, West Yorkshire, LS3 1AB Tel: 0300 303 3464 Email: courseenquiries@wea.org.uk

Education & Skills
