

What teaching methods will be used and will there be work outside of the class?

- The WEA's digital learning platform, Canvas will be used to provide resources or to support lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. If you want to understand more about our digital learning platform please visit: <http://bit.ly/WEAonline>
- The WEA tutor will use a range of different teaching and learning methods and encourage you and the group to be actively involved in your learning
- You may be asked to undertake additional work in your own time to support your learning
- You will be asked to observe the passage of the autumn season from your window, garden or any local green patch that you visit regularly and make brief notes. Though not essential, it will help you in your learning.

What kind of feedback can I expect from the tutor?

- You will be able to keep a digital portfolio of your work on WEA's digital learning platform, Canvas.
- A range of informal activities will be used by the tutor to see what you are learning which may include quizzes, question and answer, small projects and discussion
- You will be encouraged to share your work with the group and discuss your learning
- Opportunities to discuss progress will depend on the amount of time available on the zoom and canvas platforms. If you take videos or photographs of nature, it may be possible to share some of these with other students on the course via the teaching sessions.

What else do I need to know? Is there anything I need to bring?

- What you need: You will need an internet connection, speakers, a microphone and a webcam so that you can use our video learning platform, Zoom. If you'd like to understand more Zoom please visit: <http://bit.ly/ZoomSpec>
- You will also need access to the internet outside of your sessions. You could do this using a smart phone, tablet, laptop or a desktop computer (at home or through a library etc.).
- You will need a personal email address to join the WEA's digital learning platform, Canvas so that you can receive resources, record your progress and achievement and to work with others and share ideas. If you want to understand more about our digital learning platform please visit: <http://bit.ly/WEAonline>
- It would be helpful if you had access to the internet (Mobile phone, tablet or computer at home or through a library etc.)
- It will be helpful to make notes as the course progresses and as you observe the changing of the season. Binoculars will help with observation of birds but are not essential for this course.

Pre-course work, reading and information sources

- You will have access to course resources and links to wider learning through the WEA's digital learning platform, Canvas: <http://bit.ly/WEAonline>
- No pre reading is required but research on the subject on the internet or in the library may be helpful

Learning with the WEA

WEA courses increasingly make use of the rich variety of educational tools and material available on the internet and from digital devices. The WEA's digital learning platform, Canvas will play an increasing role in all WEA courses to provide resources or support, or to conduct lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. It is helpful, although not essential if you have access to a computer or smartphone to support your course.

You can read about your entitlements and responsibilities as a WEA student in our leaflet, Student Handbook here <http://www.wea.org.uk/learn-wea/student-support> This includes information on fees, learning support and financial support. As part of your course you accept our Learning Agreement and Privacy Notice. Full details of the Learning Agreement and privacy notice can be found on our website at <http://www.wea.org.uk/policies>. This applies to all courses you take in this academic year.

You can enrol online for most courses <http://www.wea.org.uk/learn-wea/course-search> or contact: WEA Support Services, Suite 10B Joseph's Well, Hanover Way, Leeds, West Yorkshire, LS3 1AB
