Employability – helping students to get a job or to make progress in their employment Health and Wellbeing – making a positive contribution to their own or others health and wellbeing Community Engagement – encouraging students to be positively involved in their communities Culture – learning about diverse cultures, identities and environments The Theme(s) used in planning your course is/ are: 1. Health and Wellbeing 2. Culture Education		

Course Aim

This course explores further actions students can take to create a greener life. It follows on from the build you own sustainable future course but it is not essential for students to have undertaken that course.

Course Description

With initial ideas and knowledge of sustainability and green issues you may want to explore further options towards leading a greener life. This course will provide you with the knowledge to analyse green opportunities and assess the impacts they may have on your life. We will look at green organisations and the way they can assist in changing how you impact the earth, different tools you can use to evaluate options you have and how they will change things, the potential for working with others to create change in your community or further afield, the history of the green movement in Britain and possible ways forward for them. The course will be a mix of activities, reflection on life and sustainability and practical actions that could be taken.

Do I need any particular skills or experience?

What will I achieve?

By the end of the course I will be able to:

1. Assess the impacts your life has upon the planet
2. Use various tools/methods to evaluate options for the future

3. Put in place a plan for developing a more sustainable life
4. Analyse the practical steps you can take to create a sustainable future for yourself and others

What teaching methods will be used and will there be work outside of the class?

- The WEA's digital learning platform, Canvas will be used to provide resources or to support lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. If you want to understand more about our digital learning platform please visit: <http://bit.ly/WEAonline>
- The WEA tutor will use a range of different teaching and learning methods and encourage you and the group to be actively involved in your learning
- You may be asked to undertake additional work in your own time to support your learning

What kind of feedback can I expect from the tutor?

- Your tutor will provide written, text and audio feedback recorded in WEA Canvas, WEA's digital learning platform.
- A range of informal activities will be used by the tutor to see what you are learning which may include quizzes, question and answer, small projects and discussion
- You will have opportunities to discuss your progress with your tutor
- You will be encouraged to share your work with the group and discuss your learning
- You will be encouraged to consider other students work and give your opinions and suggestions

What else do I need to know? Is there anything I need to bring?

- What you need: You will need an internet connection, speakers, a microphone and a webcam so that you can use our video learning platform, Zoom. If you'd like to understand more Zoom please visit: <http://bit.ly/ZoomSpec>
- You will need a personal email address to join the WEA's digital learning platform, Canvas so that you can receive resources, record your progress and achievement and to work with others and share ideas. If you want to understand more about our digital learning platform please visit: <http://bit.ly/WEAonline>
- Nothing else is needed

Pre-course work, reading and information sources

- You will have access to course resources and links to wider learning through the WEA's digital learning platform, Canvas: <http://bit.ly/WEAonline>

Possible next steps after this course (including career opportunities if appropriate)

- Progress to another WEA course
- Progress to a course with another provider
- Become involved with the WEA in a range of voluntary work and other activities including campaigning as a WEA member
- Become involved as a volunteer for a WEA partner or another organisation
- Access the WEA What Next? booklet here <http://www.wea.org.uk/learn-wea/what-can-i-do-next>

Learning with the WEA

WEA courses increasingly make use of the rich variety of educational tools and material available on the internet and from digital devices. The WEA's digital learning platform, Canvas will play an

increasing role in all WEA courses to provide resources or support, or to conduct lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. It is helpful, although not essential if you have access to a computer or smartphone to support your course.

You can read about your entitlements and responsibilities as a WEA student in our leaflet, Student Handbook here <http://www.wea.org.uk/learn-wea/student-support> This includes information on fees, learning support and financial support. As part of your course you accept our Learning Agreement and Privacy Notice. Full details of the Learning Agreement and privacy notice can be found on our website at <http://www.wea.org.uk/policies>. This applies to all courses you take in this academic year.

You can enrol online for most courses <http://www.wea.org.uk/learn-wea/course-search> or contact: WEA Support Services, Suite 10B Joseph's Well, Hanover Way, Leeds, West Yorkshire, LS3 1AB Tel: 0300 303 3464 Email: courseenquiries@wea.org.uk
