

WEA Course information sheet 2020-21

**Adult Learning
Within Reach**

Course title: Astronomy: Under Autumn Skies		Course ID: C2343886
Start date: 17/09/2020	End date: 15/10/2020	Day(s)/time(s): Thu 19:00
Number of sessions: 5	Hours per session: 2	Tutor Ann Bonell
Additional hours:	Online Learning Hours: 0	
Specific funder/partner requirements:		
Awarding body (if any): Title of qualification to be gained:		Level: Level 2
Fee: £32.00 or Free if you are in receipt of an income related benefit (only SFA funded) Accreditation Fee (if applicable):		
Venue: Online Learning, Online, ZZ99 9ZZ		
<p>Theme(s): The WEA has four themes it uses for planning its provision. Employability – helping students to get a job or to make progress in their employment Health and Wellbeing – making a positive contribution to their own or others health and wellbeing Community Engagement – encouraging students to be positively involved in their communities Culture – learning about diverse cultures, identities and environments</p> <p>The Theme(s) used in planning your course is/ are:</p> <ol style="list-style-type: none"> 1. Culture Education 2. 		

Course Aim

To inform learners about the stars and planets visible in the Autumn night sky 2020 and how to recognise them.

To encourage learners to participate in discussion about astronomy and space topics.

Course Description

Autumn 2020 will be an excellent time to view the planets. Venus will be found in the morning sky while Mars, Jupiter and Saturn dominate the evenings. In fact, Mars makes its closest approach to Earth this year in October. We will learn to recognise the stars and planets of the Autumn as well as information gleaned from space probes about them. Latest space and astronomy stories will be discussed. Learners will be given the opportunity to undertake some research on a topic chosen by them and, if they desire, to present the information to the class.

Do I need any particular skills or experience?

What will I achieve?

By the end of the course I will be able to:

1. Recognise stars and planets in the autumn sky from a list agreed with the tutor.
2. Undertake a short research project (individual or group) on a topic agreed with the tutor.
3. State the objectives of the Mars 2020 mission.

What teaching methods will be used and will there be work outside of the class?

- The WEA's digital learning platform, Canvas will be used to provide resources or to support lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. If you want to understand more about our digital learning platform please visit: <http://bit.ly/WEAonline>
- The WEA tutor will use a range of different teaching and learning methods and encourage you and the group to be actively involved in your learning
- You will be expected to carry out a range of activities in your own time

What kind of feedback can I expect from the tutor?

- You will be able to keep a record of your progress and achievement using photos, audio, text or documents uploaded into the WEA's digital learning platform, WEA Canvas.
- Your tutor will provide written, text and audio feedback recorded in WEA Canvas, WEA's digital learning platform.
- You will be able to keep a digital portfolio of your work on WEA's digital learning platform, Canvas.
- You will have opportunities to discuss your progress with your tutor
- You will be encouraged to share your work with the group and discuss your learning

What else do I need to know? Is there anything I need to bring?

- What you need: You will need an internet connection, speakers, a microphone and a webcam so that you can use our video learning platform, Zoom. If you'd like to understand more Zoom please visit: <http://bit.ly/ZoomSpec>
- You will also need access to the internet outside of your sessions. You could do this using a smart phone, tablet, laptop or a desktop computer (at home or through a library etc.).
- You will need a personal email address to join the WEA's digital learning platform, Canvas so that you can receive resources, record your progress and achievement and to work with others and share ideas. If you want to understand more about our digital learning platform please visit: <http://bit.ly/WEAonline>
- It would be helpful if you had access to the internet (Mobile phone, tablet or computer at home or through a library etc.)

Pre-course work, reading and information sources

- No pre reading or pre course work is required
- No pre reading is required but research on the subject on the internet or in the library may be helpful

Possible next steps after this course (including career opportunities if appropriate)

- Progress to another WEA course
- Become involved with the WEA in a range of voluntary work and other activities including campaigning as a WEA member

Learning with the WEA

WEA courses increasingly make use of the rich variety of educational tools and material available on the internet and from digital devices. The WEA's digital learning platform, Canvas will play an increasing role in all WEA courses to provide resources or support, or to conduct lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course.

It is helpful, although not essential if you have access to a computer or smartphone to support your course.

You can read about your entitlements and responsibilities as a WEA student in our leaflet, Student Handbook here <http://www.wea.org.uk/learn-wea/student-support> This includes information on fees, learning support and financial support. As part of your course you accept our Learning Agreement and Privacy Notice. Full details of the Learning Agreement and privacy notice can be found on our website at <http://www.wea.org.uk/policies>. This applies to all courses you take in this academic year.

You can enrol online for most courses <http://www.wea.org.uk/learn-wea/course-search> or contact: WEA Support Services, Suite 10B Joseph's Well, Hanover Way, Leeds, West Yorkshire, LS3 1AB
