## Course Aim

to provide an introduction into the art of cake decorating, which will enable you to create a range of different celebration cakes, for friends and family.

## Course Description

During this 3 week short Introduction course, you will get an insight into the art of cake decorating, which will enable to follow on into the Level 1 Creative crafts in Cake Decorating. This course is ideal for beginner as we will cover the very basics of cake decorating, using sugarcraft tools, and you will complete at least one fully decorated cake.

## Do I need any particular skills or experience?

### What will I achieve?

#### By the end of the course I will be able to:

1. Learn how to use correctly sugarcraft tools of the trade and what they are used for.
2. understand the basics of food hygiene for the use within cake decorating industry
3. Learn how to cover a cake with fondant sugar icing.
4. crumb coat a cake and the reasons for doing this.
5. make simple decorations from sugar modelling paste, which will be used for decorating a

fondant iced cake.

### **What teaching methods will be used and will there be work outside of the class?**

- The WEA's digital learning platform, Canvas will be used to provide resources or to support lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. If you want to understand more about our digital learning platform please visit: <http://bit.ly/WEAonline>
- Most of your learning will take place in your class, but one or two sessions will be online using WEA's digital learning platform, Canvas, working by yourself or engaging with other students.
