Course Aim

To provide an introduction to creating decorative boxes using a variety of craft techniques and materials.

Course Description

Have fun making and embellishing an 'Egyptian style' trinket box, a creative cupcake box, a Victorian themed treasure box and more! This short course will include using templates for boxes and creating your own templates, plus a variety of crafting techniques and forms of embellishment to create different effects. Also included will be an overview of small shaped boxes and tins and their uses past and present.

Do I need any particular skills or experience?

What will I achieve?

By the end of the course I will be able to:

- 1. Have an overview of the variety of small boxes and containers and their uses, past and present
- 2. Know how to use Egyptian style embellishments to create an 'Egyptian style' trinket box
- 3. Recognise three different forms of embellishment
- 4. Know how to create a simple template and understand how to develop it further
- 5. Know where to access resources including templates and craft materials

What teaching methods will be used and will there be work outside of the class?

- The WEA's digital learning platform, Canvas will be used to provide resources or to support lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. If you want to understand more about our digital learning platform please visit: http://bit.ly/WEAonline
- The WEA tutor will use a range of different teaching and learning methods and encourage you and the group to be actively involved in your learning

What kind of feedback can I expect from the tutor?

- Friendly and informal review and discussion

What else do I need to know? Is there anything I need to bring?

- The tutor will let you know what equipment and materials will be required

Pre-course work, reading and information sources

- No pre reading or pre course work is required

Possible next steps after this course (including career opportunities if appropriate)

Learning with the WEA

WEA courses increasingly make use of the rich variety of educational tools and material available on the internet and from digital devices. The WEA's digital learning platform, Canvas will play an increasing role in all WEA courses to provide resources or support, or to conduct lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. It is helpful, although not essential if you have access to a computer or smartphone to support your course.

You can read about your entitlements and responsibilities as a WEA student in our leaflet, Student Handbook here http://www.wea.org.uk/learn-wea/student-support This includes information on fees, learning support and financial support. As part of your course you accept our Learning Agreement and Privacy Notice. Full details of the Learning Agreement and privacy notice can be found on our website at http://www.wea.org.uk/policies. This applies to all courses you take in this academic year.
