Course Aim

This course will provide a basic introduction to the principles of interior design, with a view to apply the gained knowledge to creating personal interior spaces in your home to a professional standard.

Course Description

We will learn how to create a themed mood-board specific to your creative ideas. We will learn how to better understand the principles of colour theory and how to mix colours that are not muddy. We will look at visualising our spaces with some basic drawing techniques and look at how to measure and scale drawings to help understand the overall design. By looking at trends and style appropriate to your space before spending a penny on materials, those expensive mistake are going to be avoided, or so we hope. Have fun on this supportive and creative course
