Learning with the WEA

WEA courses increasingly make use of the rich variety of educational tools and material available on the internet and from digital devices. The WEA's digital learning platform, Canvas will play an

increasing role in all WEA courses to provide resources or support, or to conduct lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. It is helpful, although not essential if you have access to a computer or smartphone to support your course.

You can read about your entitlements and responsibilities as a WEA student in our leaflet, Student Handbook here <http://www.wea.org.uk/learn-wea/student-support> This includes information on fees, learning support and financial support. As part of your course you accept our Learning Agreement and Privacy Notice. Full details of the Learning Agreement and privacy notice can be found on our website at <http://www.wea.org.uk/policies>.
