

You will need to be able to access the internet on a device with speakers or earphones. There will be opportunities to take part in discussions and chats. If you'd like to know how to use Zoom please visit: <http://bit.ly/ZoomSpec>

- No skills or experience needed
- This course is suitable for beginners and improvers

What will I achieve?

By the end of the course I will be able to:

1. State TWO important advances made in astronomy over the last approx. twenty years.
2. Explain what is meant by multi-messenger astronomy
3. Produce a short article on a topic to be agreed with the tutor. This will be published on Canvas.

What teaching methods will be used and will there be work outside of the class?

- The WEA's digital learning platform, Canvas will be used to provide resources or to support lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. If you want to understand more about our digital learning platform please visit: <http://bit.ly/WEAonline>
- Most of your learning will take place in your class, but one or two sessions will be online using WEA's digital learning platform, Canvas, working by yourself or engaging with other students. If you want to understand more about our digital learning platform please visit: <http://bit.ly/WEAonline>
- The WEA tutor will use a range of different teaching and learning methods and encourage you and the group to be actively involved in your learning
- You may be asked to undertake additional work in your own time to support your learning

What kind of feedback can I expect from the tutor?

- You will be able to keep a record of your progress and achievement using photos, audio, text or documents uploaded into the WEA's digital learning platform, WEA Canvas.
- You will have opportunities to discuss your progress with your tutor
- You will be encouraged to share your work with the group and discuss your learning

What else do I need to know? Is there anything I need to bring?

- What you need: You will need an internet connection, speakers, a microphone and a webcam so that you can use our video learning platform, Zoom. If you'd like to understand more Zoom please visit: <http://bit.ly/ZoomSpec>
- You will also need access to the internet outside of your sessions. You could do this using a smart phone, tablet, laptop or a desktop computer (at home or through a library etc.).
- You will need a personal email address to join the WEA's digital learning platform, Canvas so that you can receive resources, record your progress and achievement and to work with others and share ideas. If you want to understand more about our digital learning platform please visit: <http://bit.ly/WEAonline>
- It would be helpful if you had access to the internet (Mobile phone, tablet or computer at home or through a library etc.)

Pre-course work, reading and information sources

- No pre reading or pre course work is required

Possible next steps after this course (including career opportunities if appropriate)

- Progress to another WEA course

Learning with the WEA

WEA courses increasingly make use of the rich variety of educational tools and material available on the internet and from digital devices. The WEA's digital learning platform, Canvas will play an increasing role in all WEA courses to provide resources or support, or to conduct lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. It is helpful, although not essential if you have access to a computer or smartphone to support your course.

You can read about your entitlements and responsibilities as a WEA student in our leaflet, Student Handbook here <http://www.wea.org.uk/learn-wea/student-support> This includes information on fees, learning support and financial support. As part of your course you accept our Learning Agreement and Privacy Notice. Full details of the Learning Agreement and privacy notice can be found on our website at <http://www.wea.org.uk/policies>. This applies to all courses you take in this academic year.

You can enrol online for most courses <http://www.wea.org.uk/learn-wea/course-search> or contact: WEA Support Services, Suite 10B Joseph's Well, Hanover Way, Leeds, West Yorkshire, LS3 1AB
