## Course Aim

This class is designed to help you get to know the iMac environment in a relaxed informal way.

## Course Description

A short course covering the essentials of using a Mac (Catalina or previous versions). This course is appropriate for a new user or a user trying to fathom the difference between the Mac environment and a Microsoft one.

## Do I need any particular skills or experience?

## What will I achieve?

### By the end of the course I will be able to:

1. Get to grips with the Desktop, Menubar and Help.
2. Understand Finder and the Dock.
3. Customise System Preferences.
4. Use Mail, Notes, Messages and Calendars.
5. Stay in Sync, iCloud and Siri.

## What teaching methods will be used and will there be work outside of the class?

- The WEA's digital learning platform, Canvas will be used to provide resources or to support

lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. If you want to understand more about our digital learning platform please visit: <http://bit.ly/WEAonline>

- The WEA tutor will use a range of different teaching and learning methods and encourage you and the group to be actively involved in your learning
- You may be asked to undertake additional work in your own time to support your learning

### **What kind of feedback can I expect from the tutor?**

- A range of informal activities will be used by the tutor to see what you are learning which may include quizzes, question and answer, small projects and discussion
- You will have opportunities to discuss your progress with your tutor

### **What else do I need to know? Is there anything I need to bring?**

- What you need: You will need an internet connection, speakers, a microphone and a webcam so that you can use our video learning platform, Zoom. If you'd like to understand more Zoom please visit: <http://bit.ly/ZoomSpec>
- You will also need access to the internet outside of your sessions. You could do this using a smart phone, tablet, laptop or a desktop computer (at home or through a library etc.).
- You will need a personal email address to join the WEA's digital learning platform, Canvas so that you can receive resources, record your progress and achievement and to work with others and share ideas. If you want to understand more about our digital learning platform please visit: <http://bit.ly/WEAonline>

### **Pre-course work, reading and information sources**

- No pre reading or pre course work is required

### **Possible next steps after this course (including career opportunities if appropriate)**

- Progress to another WEA course
- Progress to a course with another provider
- Become involved as a volunteer for a WEA partner or another organisation

### **Learning with the WEA**

WEA courses increasingly make use of the rich variety of educational tools and material available on the internet and from digital devices. The WEA's digital learning platform, Canvas will play an increasing role in all WEA courses to provide resources or support, or to conduct lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. It is helpful, although not essential if you have access to a computer or smartphone to support your course.

You can read about your entitlements and responsibilities as a WEA student in our leaflet, Student Handbook here <http://www.wea.org.uk/learn-wea/student-support> This includes information on fees, learning support and financial support. As part of your course you accept our Learning Agreement and Privacy Notice. Full details of the Learning Agreement and privacy notice can be found on our website at <http://www.wea.org.uk/policies>. This applies to all courses you take in this academic year.
