## Course Aim

The course will outline how revolutionary thinkers, Copernicus, Gallileo, Charles Darwin, Thomas Paine, Karl Marx and Bruneld, had such an impact on their own times and for future generations.

## Course Description

The course will highlight thinkers from the world of science, engineering, political thinking and astronomy who revolutionised the world in which they lived and for future generations. It will consider what motivated these thinkers to apply their reasoning to improve the world in which they lived.

## Do I need any particular skills or experience?

## What will I achieve?

### By the end of the course I will be able to:

1. An understanding of the world in which the thinkers lived
2. An understanding of what motivated these thinkers to see the world differently and use their reasoning to improve the world
3. To assess the impact these thinkers had on the rest of the world and for the future

## What teaching methods will be used and will there be work outside of the class?

- The WEA's digital learning platform, Canvas will be used to provide resources or to support lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. If you want to understand more about our digital learning platform please visit: <http://bit.ly/WEAonline>
- Most of your learning will take place in your class, but one or two sessions will be online using WEA's digital learning platform, Canvas, working by yourself or engaging with other students. If you want to understand more about our digital learning platform please visit: <http://bit.ly/WEAonline>
- The WEA tutor will use a range of different teaching and learning methods and encourage you and the group to be actively involved in your learning

### **What kind of feedback can I expect from the tutor?**

- Your tutor will provide written, text and audio feedback recorded in WEA Canvas, WEA's digital learning platform.
- You will be able to keep a digital portfolio of your work on WEA's digital learning platform, Canvas.
- A range of informal activities will be used by the tutor to see what you are learning which may include quizzes, question and answer, small projects and discussion
- You will have opportunities to discuss your progress with your tutor

### **What else do I need to know? Is there anything I need to bring?**

- What you need: You will need an internet connection, speakers, a microphone and a webcam so that you can use our video learning platform, Zoom. If you'd like to understand more Zoom please visit: <http://bit.ly/ZoomSpec>
- You will also need access to the internet outside of your sessions. You could do this using a smart phone, tablet, laptop or a desktop computer (at home or through a library etc.).
- You will need a personal email address to join the WEA's digital learning platform, Canvas so that you can receive resources, record your progress and achievement and to work with others and share ideas. If you want to understand more about our digital learning platform please visit: <http://bit.ly/WEAonline>
- All materials will be provided

### **Pre-course work, reading and information sources**

- No pre reading or pre course work is required

### **Possible next steps after this course (including career opportunities if appropriate)**

- Progress to another WEA course
- Progress to a course with another provider

### **Learning with the WEA**

WEA courses increasingly make use of the rich variety of educational tools and material available on the internet and from digital devices. The WEA's digital learning platform, Canvas will play an increasing role in all WEA courses to provide resources or support, or to conduct lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. It is helpful, although not essential if you have access to a computer or smartphone to support your course.

You can read about your entitlements and responsibilities as a WEA student in our leaflet, Student
