| <p>Course Aim To introduce the basic techniques and processes of producing jewellery with beads and wire. To build creativity with the use of a range of additional materials including cords, various type and sizes of beads, threads and glue.</p> |
| <p>Course Description This is a basic jewellery course for absolute beginners. Most of the class work will be practical. Topics will include the safe use of tools and material, handling different materials confidently - such as beads, glue, thread, metal wires and fire line. Learners will make beaded, wired and cord projects included bracelet, necklace, rings as well as complete other projects that are complementary. Learners can take home their finished projects.</p> |
| <p>Do I need any particular skills or experience?</p> <ul style="list-style-type: none"> - No skills or experience needed - This course is for beginners - This course is for people with little spoken English |
| <p>What will I achieve? By the end of the course I will be able to:</p> <ol style="list-style-type: none"> 1. Use jewellery tools and other materials safely. |

2. Design some wired, beaded and macrame samples.
3. Improve fixing techniques and processes in producing jewellery samples.
4. Complete jewellery pieces to a good standard.
5. Access Canvas to track my progress.

What teaching methods will be used and will there be work outside of the class?

- The WEA tutor will use a range of different teaching and learning methods and encourage you and the group to be actively involved in your learning
- You may be asked to undertake additional work in your own time to support your learning
- You will be expected to carry out a range of activities in your own time
- The course will be taught through practical tutorials, diagrams and instructions, learners will be encouraged to make notes.

What kind of feedback can I expect from the tutor?

- A range of informal activities will be used by the tutor to see what you are learning which may include quizzes, question and answer, small projects and discussion
- You will have opportunities to discuss your progress with your tutor
- You will be encouraged to share your work with the group and discuss your learning
- You will be encouraged to consider other students work and give your opinions and suggestions
- A file of work will be kept which will help to record your progress
- There will be a number of tasks appropriate to your course such as written work, creating art or craft, video, photography or small projects. Some of these may be marked to help you progress
- Class environment will be friendly and support will be provided through all the course. The practical work will be assessed in every session and feed back will be provided individually and to the whole class.

What else do I need to know? Is there anything I need to bring?

- Nothing else is needed
- A selection of materials and basic equipment will be provided but you are welcome to bring additional materials with you
- It would be helpful if you had access to the internet (Mobile phone, tablet or computer at home or through a library etc.)

Pre-course work, reading and information sources

- No pre reading is required but research on the subject on the internet or in the library may be helpful

Possible next steps after this course (including career opportunities if appropriate)

Learning with the WEA

WEA courses increasingly make use of the rich variety of educational tools and material available on the internet and from digital devices. The WEA's digital learning platform, Canvas will play an

increasing role in all WEA courses to provide resources or support, or to conduct lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. It is helpful, although not essential if you have access to a computer or smartphone to support your course.

You can read about your entitlements and responsibilities as a WEA student in our leaflet, Student Handbook here <http://www.wea.org.uk/learn-wea/student-support> This includes information on fees, learning support and financial support. As part of your course you accept our Learning Agreement and Privacy Notice. Full details of the Learning Agreement and privacy notice can be found on our website at <http://www.wea.org.uk/policies>. This applies to all courses you take in this academic year.

You can enrol online for most courses <http://www.wea.org.uk/learn-wea/course-search> or contact: WEA Support Services, Suite 10B Joseph's Well, Hanover Way, Leeds, West Yorkshire, LS3 1AB Tel: 0300 303 3464 Email: courseenquiries@wea.org.uk
