

learning platform: WEA Canvas. You will need to be able to understand how to follow URL links to pages on the internet. If you want to understand more about Canvas please visit:

<http://bit.ly/WEAonline>

- You will need to be able to follow links to join our WEA live video learning platform: WEA Zoom. If you'd like to understand more about our video learning platform, Zoom please visit:

<http://bit.ly/WEAonline> and <http://bit.ly/ZoomSpec>

- This course is for a group of around 15 students studying in a live video-learning platform conference and an online digital learning environment platform from the comfort of your own home.

- No skills or experience needed

- This course is for beginners

- This course is for improvers

- This course is suitable for beginners and improvers

- This course is for students who attend a specific centre only. For more information please call 0300 303 3464

### **What will I achieve?**

#### **By the end of the course I will be able to:**

1. Identify and discuss at least 3 possible creative re-use methods for specific everyday, raw materials and select projects according to group preferences
2. Demonstrate the safe and creative use of at least 3 different craft techniques or processes in upcycling projects
3. Discuss design considerations in project planning and completion, including: colour, shape, scale, pattern
4. Discuss key terminology relating to upcycling including: upcycle, repurpose, sustainability, recycle and downcycle
5. Successfully complete and present at least one upcycling project, considering finish and usability

### **What teaching methods will be used and will there be work outside of the class?**

- The WEA's digital learning platform, Canvas will be used to provide resources or to support lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. If you want to understand more about our digital learning platform please visit:

<http://bit.ly/WEAonline>

- The WEA tutor will use a range of different teaching and learning methods and encourage you and the group to be actively involved in your learning

- You may be asked to undertake additional work in your own time to support your learning

### **What kind of feedback can I expect from the tutor?**

- You will be able to keep a record of your progress and achievement using photos, audio, text or documents uploaded into the WEA's digital learning platform, WEA Canvas.

- Your tutor will provide written, text and audio feedback recorded in WEA Canvas, WEA's digital learning platform.

- You will be able to keep a digital portfolio of your work on WEA's digital learning platform, Canvas.

- A range of informal activities will be used by the tutor to see what you are learning which may include quizzes, question and answer, small projects and discussion

- You will have opportunities to discuss your progress with your tutor

- You will be encouraged to share your work with the group and discuss your learning

- You will be encouraged to consider other students work and give your opinions and suggestions

### **What else do I need to know? Is there anything I need to bring?**

- What you need: You will need an internet connection, speakers, a microphone and a webcam so that you can use our video learning platform, Zoom. If you'd like to understand more Zoom please visit: <http://bit.ly/ZoomSpec>
- You will need a personal email address to join the WEA's digital learning platform, Canvas so that you can receive resources, record your progress and achievement and to work with others and share ideas. If you want to understand more about our digital learning platform please visit: <http://bit.ly/WEAonline>
- You will need simple craft supplies & salvaged, household items to upcycle.

For session 1 please bring:

Paper-pages from old magazine / newspaper / junkmail are ideal

Ruler

Scissors

Pencil / pen

Glue (eg pritt stick)

Cocktail sticks / other narrow sticks eg barbeque skewer, knitting needle

### **Pre-course work, reading and information sources**

- You will have access to course resources and links to wider learning through the WEA's digital learning platform, Canvas: <http://bit.ly/WEAonline>
- No pre reading is required but research on the subject on the internet or in the library may be helpful

### **Possible next steps after this course (including career opportunities if appropriate)**

- Progress to another WEA course
- Progress to a course with another provider
- Become involved with the WEA in a range of voluntary work and other activities including campaigning as a WEA member
- Become involved as a volunteer for a WEA partner or another organisation
- Access the WEA What Next? booklet here <http://www.wea.org.uk/learn-wea/what-can-i-do-next>

### **Learning with the WEA**

WEA courses increasingly make use of the rich variety of educational tools and material available on the internet and from digital devices. The WEA's digital learning platform, Canvas will play an increasing role in all WEA courses to provide resources or support, or to conduct lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. It is helpful, although not essential if you have access to a computer or smartphone to support your course.

You can read about your entitlements and responsibilities as a WEA student in our leaflet, Student Handbook here <http://www.wea.org.uk/learn-wea/student-support> This includes information on fees, learning support and financial support. As part of your course you accept our Learning Agreement and Privacy Notice. Full details of the Learning Agreement and privacy notice can be found on our website at <http://www.wea.org.uk/policies>. This applies to all courses you take in this academic year.

You can enrol online for most courses <http://www.wea.org.uk/learn-wea/course-search> or contact:

WEA Support Services, Suite 10B Joseph's Well, Hanover Way, Leeds, West Yorkshire, LS3 1AB
