Course Aim
 Together we will experience and share the joy of dance, whilst improving both our mental and physical fitness levels.
 We will be looking at many dance styles / cultures /genres/ choreography / movement and have time to chat about... Everything Dance!

Course Description
 Let's dance together in a relaxing weekly zoom session - seated or standing. We will also watch YouTube clips of famous dancers and influential choreographers, learning to recognise different styles of Dance and Music. Exercising to music will energise, motivate and refresh. Linking dance steps together is great brain training and a lot of fun too!
 So with our spirits lifted, let's move our bodies to some great songs.

Learning with the WEA

WEA courses increasingly make use of the rich variety of educational tools and material available on the internet and from digital devices. The WEA's digital learning platform, Canvas will play an increasing role in all WEA courses to provide resources or support, or to conduct lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. It is helpful, although not essential if you have access to a computer or smartphone to support your course.

You can read about your entitlements and responsibilities as a WEA student in our leaflet, Student Handbook here <http://www.wea.org.uk/learn-wea/student-support> This includes information on fees, learning support and financial support. As part of your course you accept our Learning Agreement and Privacy Notice. Full details of the Learning Agreement and privacy notice can be found on our website at <http://www.wea.org.uk/policies>.
