Course Aim

This course is designed to expand the skills learnt on Introduction and Intermediate courses or is for those with a good working knowledge of Excel who want to develop their skills further.

Course Description

Excel Advanced introduces creating scenarios using look up and pivot tables to organise and summarise data. Learn how to identify trends and understand, create and run simple VBA (visual basic application) macro.

Do I need any particular skills or experience?

What will I achieve?

By the end of the course I will be able to:

1. Create scenarios using loop up an pivot tables.
2. Identify trends.
3. Understand, create and run a VBA (visual basic application) Macro.

What teaching methods will be used and will there be work outside of the class?

- The WEA's digital learning platform, Canvas will be used to provide resources or to support lessons, enable assessment, provide learner feedback and for other activities for individuals away

from the course. If you want to understand more about our digital learning platform please visit:
<http://bit.ly/WEAonline>

- Most of your learning will take place in your class, but one or two sessions will be online using WEA's digital learning platform, Canvas, working by yourself or engaging with other students. If you want to understand more about our digital learning platform please visit: <http://bit.ly/WEAonline>
- The WEA tutor will use a range of different teaching and learning methods and encourage you and the group to be actively involved in your learning
- You may be asked to undertake additional work in your own time to support your learning

What kind of feedback can I expect from the tutor?

- You will be able to keep a record of your progress and achievement using photos, audio, text or documents uploaded into the WEA's digital learning platform, WEA Canvas.
- Your tutor will provide written, text and audio feedback recorded in WEA Canvas, WEA's digital learning platform.
- You will be able to keep a digital portfolio of your work on WEA's digital learning platform, Canvas.
- A range of informal activities will be used by the tutor to see what you are learning which may include quizzes, question and answer, small projects and discussion
- You will have opportunities to discuss your progress with your tutor
- You will be encouraged to share your work with the group and discuss your learning

What else do I need to know? Is there anything I need to bring?

- What you need: You will need an internet connection, speakers, a microphone and a webcam so that you can use our video learning platform, Zoom. If you'd like to understand more Zoom please visit: <http://bit.ly/ZoomSpec>
- You will also need access to the internet outside of your sessions. You could do this using a smart phone, tablet, laptop or a desktop computer (at home or through a library etc.).
- You will need a personal email address to join the WEA's digital learning platform, Canvas so that you can receive resources, record your progress and achievement and to work with others and share ideas. If you want to understand more about our digital learning platform please visit:
<http://bit.ly/WEAonline>

Pre-course work, reading and information sources

- Pre-course reading is required: resources will be made available to you using the WEA's digital learning platform, Canvas: <http://bit.ly/WEAonline>
- You will have access to course resources and links to wider learning through the WEA's digital learning platform, Canvas: <http://bit.ly/WEAonline>

Possible next steps after this course (including career opportunities if appropriate)

- Become involved as a volunteer for a WEA partner or another organisation
- Access the WEA What Next? booklet here <http://www.wea.org.uk/learn-wea/what-can-i-do-next>

Learning with the WEA

WEA courses increasingly make use of the rich variety of educational tools and material available

on the internet and from digital devices. The WEA's digital learning platform, Canvas will play an increasing role in all WEA courses to provide resources or support, or to conduct lessons, enable assessment, provide learner feedback and for other activities for individuals away from the course. It is helpful, although not essential if you have access to a computer or smartphone to support your course.

You can read about your entitlements and responsibilities as a WEA student in our leaflet, Student Handbook here <http://www.wea.org.uk/learn-wea/student-support> This includes information on fees, learning support and financial support. As part of your course you accept our Learning Agreement and Privacy Notice. Full details of the Learning Agreement and privacy notice can be found on our website at <http://www.wea.org.uk/policies>. This applies to all courses you take in this academic year.

You can enrol online for most courses <http://www.wea.org.uk/learn-wea/course-search> or contact: WEA Support Services, Suite 10B Joseph's Well, Hanover Way, Leeds, West Yorkshire, LS3 1AB Tel: 0300 303 3464 Email: courseenquiries@wea.org.uk
